

College Career Pathways Application

•Earn College Credits with the College Career Pathways Program •

A Great Beginning!

College Career Pathways (CCP) is a collaborative program between area high schools and Tunxis Community College.

It is designed to allow high school students to sample the rigor of college academics, and possibly earn college credit, while attending high school.

A Career Pathway is a series of courses that CCP students take in high school for which college credit is earned. The CCP courses meet the same level of rigor taught at the college level. Students may earn “dual credit” (credit from their high school and credit from TCC).

How does it work?

- Students complete this application and give it to their guidance counselor. Guidance counselors determine student eligibility for the CCP program.
- Students must be in grade 10, 11 or 12
- Students take college-level courses at their high school and meet grading requirements stipulated by the College; this may require students to take a college-required final exam or an academic assessment to get course credit.
- Students earning college credit will have the credit placed on the student's permanent transcript with Tunxis CC. Students may choose to come directly to Tunxis or they may choose to take the transcript to the college of their choice to inquire about transfer credit.

How much does it cost?

There is NO COST for students to enroll in the CCP program.

Earning FREE college credit now will help you prepare academically for your future.

It can also save time and money. The main requirements are EFFORT and DETERMINATION!

You should apply if...

- You feel prepared to challenge yourself with the rigor of college courses.
- You would like to explore career areas.
- You are determined to do your very best to succeed.
- You want to save time and money when you go to college.

Tunxis Community College College Career Pathways Program Application Addendum

This form is required prior to registering. Please return this form with your application and registration information. Students who do not return this form completed, including all signatures, will not be permitted to register for any class(es).

Carefully review the information below, sign, and date where indicated. In addition to the student's signature, a parent or legal guardian of the College Career Pathways program (CCP) applicant must also sign this document.

1. A student applying for college-level credit course(s) must meet all application, registration and withdrawal deadlines as stipulated by Tunxis Community College. Withdrawal deadline dates are published annually and provided below in bold.
2. Applying student and their parent and/or guardian are formally advised that all grades earned will become part of the student's permanent record. **A student who officially withdraws from his or her class(es) by the official withdrawal date will receive a "W" notation on their transcript.* No course withdrawals will be permitted after date noted.**

The Withdrawal Date For The 2018-19 Academic Year Is: April 17, 2019.

*Withdrawing by this date means the student will receive a notation on his or her transcript of "W".

I hereby affirm and understand that, unless the College receives timely official withdrawal in writing from any concurrent enrollment course(es) taken in conjunction with Tunxis Community College, the grades earned in the class(es) will become part of the applicant's permanent academic record at the College.
