

Prerequisite Structure for Science Courses (Effective Fall 2017)

BIO*111, BIO*115, CHE*111, and PHY*110 are suitable for students who intend to apply the credit as a **science elective** for a 2-year degree, and do NOT plan to pursue advanced coursework in the field.

For questions about transfer equivalencies or waivers, please call Robert (x31648).

BIO*121, CHE*121, PHY*121, and PHY*221 are suitable for students who intend to apply the credit as a **transfer equivalent** at a 4-year institution, or as a **prerequisite** for advanced coursework in the field.

Do you need to satisfy an ABE Gen Ed or TAP Competency?
 8. Scientific Knowledge: take ANY 3-credit or 4-credit science course
 9. Scientific Reasoning and embedded Ethics: take any 4-credit lab course listed on this sheet
