(a) Prerequisite and/or co-requisite required.

(b) To be selected in consultation with faculty advisor based on student's program of study. You are free to choose any courses at or above 100-level to complete unrestricted electives, although you may need to use some of these credits to take a math course that prepares you for the required level of math in your program. If you begin French at a higher level than FRE*101/111, you will receive additional unrestricted electives to begin work on completing a minor. Central Connecticut State University (CCSU) will require that you complete a minor by earning at least 18 credits in one area outside your major field; you must complete at least 9 of those minor credits at CCSU. You can also complete other General Education requirements for CCSU, Southern Connecticut State University (SCSU), Western Connecticut State University (WCSU), and Charter Oak State College (COSC) - but not at Eastern Connecticut State University (ECSU).

To graduate and be guaranteed admission to a State University or Charter Oak State College, the student must earn an overall 2.0 grade point average.

Upon completion of 61 credits, this Guide must be signed below and filed with the Records Office. Failure to do so may result in a delay of graduation.
